CASINOS ANALYZER

The Platform

Casinos Analyzer is a casino review platform with own database of loyal players.

Global Reach

We operate in over 40 countries worldwide, with key markets in the US, CA, UK, AU, NZ, DE, PL.

**40+ countries
worldwide**

High Website Traffic

Casino Analyzer attracts 1,000,000 visits quarterly, driving strong engagement and ensuring maximum visibility for your content and promotions.

**1,000,000+
visits quarterly**

Player Engagement

The database gains over 50,000 registered users each month.

**400,000+
our community**

Proven Results

Our platform delivers exceptional results, bringing in over 15,000 FTDs per quarter — proof of our ability to attract and convert high-quality traffic.

**15,000+
FTD quarterly**

Traffic Structure

Our primary traffic source is SEO, complemented by a high return rate of players and strong engagement from registered users.

45% SEO

24% Community Retention

18% Direct

Our platform focuses on cost optimization by filtering out pages that drive traffic but don't bring in players. This way, only pages that attract active players remain, maximizing our efficiency and impact.

Half of our traffic is independent of SEO, making us resilient to Google updates and reliable for the long term. Additionally, we attract a substantial amount of direct traffic, meaning players recognize us as a Trusted Brand and visit us directly.

Trusted by Players

Players love Casinos Analyzer that's why we've got 800+ reviews on Trustpilot with rating of 4,5 out of 5.

Casinosanalyzer is
rated **Excellent**

Based on 812 reviews

 Trustpilot

- Our reviews are 100% player-generated; we never pay for them.
- These numbers reflect players' recognition of Casinos Analyzer as a trusted brand.
- Listing your casino on Casinos Analyzer enhances your brand's credibility.

How it Looks

The screenshot shows the website's navigation bar with 'CASINOS ANALYZER' and menu items like 'Online Casinos', 'Casino Bonuses', and 'Free Spins'. The breadcrumb trail is 'Casino Bonuses > No Deposit Bonuses > \$100 No Deposit Bonus Codes'. The main heading is '\$100 No Deposit Bonus Codes 2024'. A large graphic reads 'FREE \$100 No Deposit'. Below it, there's a paragraph of text and a 'Read more' link. Metadata includes 'Last Updated: 2024 November, 08', 'Available bonuses for you (28)', 'Play with: \$100 No Deposit Bonus', and 'Page Created: 2022 September, 01'. The 'Best \$100 No Deposit Bonus Codes' section lists offers like 'Get \$100 Free Chip' from Casino Extreme and 'Get up to 100 Free Spins now!' from wild.io. A 'Sponsored Spot' callout is overlaid on the bottom right of the screenshot.

You can place any offers, not just those that match the user's intent on the page. If you're unable to offer no-deposit or low-deposit bonus, you can increase your visibility through special placements—ensuring your brand is seen and attracting highly engaged players.

Additionally, the top position is visible in the footer, and there are various placement options, including header, footer, and more.
